

**GILLARD AND IAME FASTEST IN SUZUKA, JAPAN!
WORLD CUP FOR SKF, THE NEW SUPER KF WHERE
MANUFACTURERS SHOW THEIR LATEST AND FASTEST!!!**

Manuel Renaudie
"The Flying Frenchman"

PDB AND GILLARD FACTORY DRIVER MANUEL RENAUDIE HAD SOME BAD LUCK IN THE QUALIFYING HEATS PUTTING HIM IN THE 5TH ROW FOR THE FINALS BEHIND I.E. WELL KNOWN FACTORY DRIVERS AND CHAMPIONS MARCO ARDIGO, JONATHAN THONON, ARMAND CONVERS AND GARY CATT.

MANUEL RENAUDIE HOWEVER MADE A SUPERB RECOVERY, ACCOMPANIED WITH THE FASTEST LAP TIME OF THE RACE, AND THREW ARNAUD KOZLINSKI (CRG-MAXTER-B'STONE) FROM SECOND PLACE FOUR LAPS BEFORE THE CHEQUERED FLAG.

UNFORTUNATELY HE RAN OUT OF LAPS TO CATCH THE WINNER YANNICK DE BRABANDER.

NEEDLESS TO SAY PETER DE BRUIJN, TEAM OWNER OF PDB RACING TEAM AND DEVELOPER OF THE GILLARD CHASSIE WAS VERY PLEASED WITH HIS VISIT TO JAPAN.

FIA WORLD CUP FOR SUPER KF & I
